EFTA	Whole document		ge	The EEA includes the 28 EU Member States + the 3 EEA EFTA States. Hence, "EEA countries" means the 31 countries collectively, whereas in the report it is used to mean, strictly speaking, the "EEA EFTA countries"	Change: "EEA" to "EEA EFTA" (<i>not</i> in the list of abbreviations) "EEA countries" to "EEA EFTA States" "Total EEA-32" (in tables) to "Total EEA + CH" In principle, "EU-28 and EEA countries" should just read "EEA countries"	Adapted in the text
